Program Associates

The annual participation fee is \$100 for Program Associates (suppliers, realtors, etc.) whether or not you are an MBA member. This fee will be used for administrative costs, including marketing and advertising the program, and updating resource materials. As a participating program associate, you will be required to attend a BUILT GREEN™ Program Orientation. You can then use the decal, logo, and other promotional materials to market your firm as a “participating partner” in environmentally friendly construction. You will also benefit from the marketing and advertising provided by the program, as well as a variety of resource materials that you should find informative and helpful in working with clients, whether they are builders, remodelers, developers, or customers.

Builders and Developers

Program Participation: The annual enrollment fee is \$100 for MBA members and \$250 for non-members. This fee will be used for administrative costs, including marketing and advertising the program, updating resource materials, and promoting project-specific recognition (through the Certificate of Merit, for example). As a participating builder or developer, you will be required to attend a BUILT GREEN™ Program Orientation. You can then use the decal, logo, and other promotional materials to market your company *if you enroll projects in the Program* (see below). You can also take advantage of the BUILT GREEN™ Resource Library at the MBA. The resource materials will be updated as new information becomes available.

Project Enrollment: Only builders and developers may enroll a project, which requires an additional fee (see below). For each project you enroll, you must complete a Project Enrollment Form and a Self-Certification Checklist.

Project Fees:

	Home Builders	Developers
MBA members	\$50 per unit; \$1,000 per year maximum	\$10 per lot; \$200 per development maximum
Non-members	\$300 per unit; \$6,000 per year maximum	\$50 per lot; \$1,000 per development maximum
