

A Program of the Master Builders Association in Partnership with King and Snohomish Counties

AWARDS CRITERIA

Built Green Hammer Awards

The Built Green Hammer Awards are intended to reward Built Green members for their outstanding projects and participation in the previous year. In order to be eligible for an award, you must be certifying projects at a 3-Star level or higher. The criteria are weighted in level of importance as follows:

- I. Number of projects certified in previous year
- II. Average point levels of certified projects
- III. Active marketing of Built Green brand in projects
- IV. Active participation in Built Green, i.e. committees and events

Award winners are chosen by the Built Green Awards sub-committee and will be given annually in the following categories:

- Builder, Large Production *Over 100 homes built*
- Builder, Small Production *Between 10 and 100 homes built*
- Builder, Custom or Small Speculative *Less than 10 homes built*
- Builder, Large Multi-Family *Project over 5 stories*
- Builder, Small Multi-Family *Project under 5 stories*
- Developer, Large Community *Community over 100 acres*
- Developer, Small Community *Community under 100 acres*
- Builder, Remodel
- Built Green Advocate, Public Sector
- Built Green Advocate, Private Sector

Built Green Pioneer Awards

The Built Green Pioneer Award is designed to recognize people who have played an integral role in developing and maintaining the Built Green program. Without the time, energy, and support of Built Green Pioneers, the program would not be the success that it is today.

Built Green Pioneers are chosen by the Built Green Director and are for individuals who exhibit outstanding participation on Built Green committees, in program planning, fundraising, marketing and advocacy.

If you have any questions or would like more information, please contact the Built Green Director, Aaron Adelstein, at (425) 460-8230 or aadelstein@mbaks.com.
