MARCH 17 & 18
SEATTLE CENTER

Greening the 21st Century 2005 BUILT GREEN CONFERENCE

CALL FOR POSTERS

Attention:

Builders, Architects and Interior Designers

Built Green is looking for its most exciting projects to be featured in a poster session and exhibit March 10th-18th at the Seattle Center Conference and Environmental Home Center.

Thursday, March 17 CONFERENCE, EXPO & POSTERS
Friday, March 18 GREEN HOMES TOUR

**Seattle Center Conference Center Northwest Rooms
And the new EHC Showroom**

Poster Criteria:

All posters must feature certified Built Green Projects. All posters will need to meet a requirement of 24" x 36" and be mounted on foam core. The posters will be exhibited on Friday March 17th at the Conference and Expo at the Seattle Center and displayed for one week at Environmental Home Center for the AIA Residential Forum March 10th and Green Homes Tour March 18th.

The following information should be included in poster:

1. Name of architect and or firm, interior designer and builder
2. A list of Built Green features and points allocated per feature
3. Built Green Star Level
4. Location (unless this is to remain confidential by homeowner)
5. Square footage
6. Year built

Deadline For Posters: March 9th 4:00 pm

Please deliver to EHC 4121 1st Avenue South Seattle, WA 98134

We are only accepting the first 20 Posters

There is no cost to submit a poster
