MEMBER CODE OF ETHICS

It is the mission of the Built Green program to serve as the driving force for the use of and consumer demand for environmentally sound design, construction, and development practices in King and Snohomish Counties' cities and communities.

To achieve this mission, our members pledge to uphold the following Code of Ethics:

- Conduct our business in a manner that will reflect credit upon the Built Green program.
- Avoid statements or implications that may be misleading or deceptive.
- Describe accurately and honestly the price, materials, methods and standards of workmanship used in Built Green projects.
- Provide high standards of health and safety.
- Deal fairly with everyone involved in our projects including employees, subcontractors, suppliers and customers.
- Perform to the standards of the NAHB residential construction performance guidelines in effect at the time of construction.
- Offer a minimum one-year written warranty on new homes and remodels, and use MBA's consumer dispute resource program to settle disagreements with builders and remodelers of single family homes should the Association receive a complaint.
- Certify that as a contractor member of Built Green, we are registered, bonded and insured with the State of Washington.
- Use the Built Green logo truthfully and according to the program's logo standards.

_____ assumes these responsibilities and understands that adherence to the above code of ethics is part of our obligation as a member of the Built Green™ program of the Master Builders Association of King and Snohomish Counties.
